I have gone through the file.

There is no point in the petitioner, Dase Gowda, insisting on lands in the midst of State Forest which is said to be the best teak area. It is to my knowledge that Kadukurubars are not very particular of this particular area. All that they want is some land and other facilities for colonization. It is disclosed from the Joint Inspection Report of the Deputy Commissioner and the District Forest Officer that no land is cultivated in the area. It is further stated that the area is not suited for ~~xxx~~ colonization since it is infested with elephants and other wild animals.

44 The Deputy Commissioner and the District Forest Officer have made a very good suggestion viz. that the Kadukurubars may be colonized in the remaining area of 154 acres in S.No. 12 which lies outside the State forest leaving a buffer margin. Even this, they say is not quite suited owing to its proximity to areas infested with wild animals. They suggest that this may be done at the risk of Kadukurubars. Alternatively, they suggest that these Kadukurubars may be colonized at Nemmanahalli where there is already a hill-tribe colony provided with adequate approach for inspecting officers. The Chief Conservator of Forests has also agreed to it (vide Flag A and B). This I think is the best suggestion and may be accepted. A quietus may kindly be given to this question by accepting the above suggestion by the Deputy Commissioner, District Forest Officer and the Chief Conservator of Forests. I do not want to say much about the motive behind

36
Govt. ordered that an area of 140 acres in F.S.12 of Kudgi, which is already under cultivation by 35 Kadukurubars should be disforested and handed over to the RD. for being granted^{to} the Kadukurubars, permanently for cultivation.

After the issue of the GO, it came to the notice of the Govt. that out of the total area of 30/ acres^{A.G.} 26 guntas of S.No.12 of Kudagi an extent of 147-26 are included in Alagana^h State Forest and that Sagu-
valli chits were issued by the Amildar Heggadadevan-
kote Taluk for 35 persons at the rate of 4 acres each, totalling to 140 acres, without consulting the Forest Department and that Saguvali Chits were withdrawn when the Forest Department objected to its grant. Hence there are no lands under cultivation, which are to be released as contemplated in the G.O.No. AFD 12 DAR 57 dated 26-3-57, The area under reference, is reported to be a good timber forest.

37
Then the CCF was again asked to direct DFO Mysore to personally inspect the area which is ordered to be released for cultivation along with the Rev. authority, in the presence of the representatives of Kadukurubars and submit a detailed report about the area and S.Nos of the lands which are to be released to Kadukurubars. Accordingly a joint report by the Dy.Commissioners and DFO was submitted after the inspection of the site. They reported that there was no land in S.No. 12 of Kudgi which is the state Forest, under cultivation. Hence they suggested that as an alternative measure, these people may be made to settle at Nemmanahalli. Under the circumstances it was decided that it would not be possible to release the land that was ordered to be released

Serial
No.

under G.O.No. AFD 12 DAR 57 dated 26-3-57 and the G.O.
was cancelled under G.O.No. AFD 12 BST 57, dated 8-7-58.
The Dy.Com Mysore was requested to take steps to
settle these Kdakarubars on any suitable Rev. lands
else where (D.O.letter dated 6-5-58).

22/9/58 39 (22) Govt. has taken
decision that lands in question
need not be released. Hence
the matter cannot be
reopened. The request of the
tribe to grant of land in
S.N. 12 at Kundage cannot be
complied with. D.C. Mysore
will be reminded to settle
these Kdakarubars on a
different suitable revenue land

Govt. have already decided that it is not possible to release the land ordered in the G.O. Dated 26-3-57. ^(vide para 4: 3 supra) Hence that G.O. has been cancelled & the Dy Comm Mysore has been asked to take steps to rehabilitate these Kadu Kurubars on any suitable Rev lands. Hence the request of the petitioners to hand over the possession of the land may be rejected. An end to the petitioners is put up accordingly for approval.

to the applicants as an experimental measure and at the risk of the cultivators. The C.C.F. ^{note} has no objection to give these lands. The Deputy ^{39/1} Commissioner, Mysore District reports that if it is considered that the persons should be granted some land in view of their poverty but not necessarily the lands in question, the lands could be granted to them from out of the adjoining District Forest or from out of Government land under the control of the Revenue Department elsewhere provided the stay order granted by the Government in their Order No.R.S.P.R.76-77/57-58 dated 26-7-57 is vacated. This order ~~is already~~ ^{affirmed by the} is ^{now} issued by the Revenue Department. The Chief Conservator of Forests ~~from~~ ^{on} the other hand in accordance with the joint report suggests that these people may be colonised at Nemmanahally where there is a Hill tribe colony in existence and which is hardly four miles from Kudagi village.

17) Orders of Government are therefore solicited on:

(a) Whether 35 Kurbaras should be granted land out of Alaganchi State Forest areas;

OR

(b) Whether these persons should be granted land in the areas in charge of ^{the} Revenue Department;

OR

(c) Whether the suggestion made in the joint report to colonise them at Nemmanahalli should be accepted.

If any of the suggestions made above is accepted it will be necessary to decide how much land should be released in their favour.

Land - Grant of, Kudagi village.

16

it was noticed that there were no traces of cultivation in S.H. 12 of Kudagi. Hence he proposes that there is no need to release this land on the ground that ~~there~~ the land is under cultivation. He further proposes that some ^{land} lands will be granted to the petitioners, which are under the control of the R.D.

12) It is a ^{matter} ~~question~~ to be considered whether the ~~land~~ petitioners are willing to accept the ~~land~~ lands offered by the R.D. Perhaps they may not be suitable for them. There fore, the remarks of the Director of Social Welfare may be obtained in the matter as suggested in para No. 9 above.

12/29/1/58 Under G.O.

13) Under G.O. No. AFD 12 DAR 57 dated 26th March 1957 orders were issued to the Forest Department to disforest 140 acres of land in Kudagi Village Kandalike Hobli, Heggadadevankote Taluk which was reported to ^{have} been under cultivation ^{for} being granted to 35 Kurbaras who were reported to be cultivating the same. On ~~a~~ verification, the Sub Division Forest Officer reported to Government that no land under cultivation existed either in Alaganchi State Forest or in S.No.12 of Kudagi Village.

14) It is understood from the report of the Sub Division Officer that the Amildar, Heggadadevankote Taluk issued Saguvali chits to the 35 cultivators and reported the matter to the Forest Department for realisation of the 'malki', but when the issue was objected to by the Forest Department

Serial
No.

18
it has ^{been} reported, that the Saguvali chits were withdrawn by the Revenue authorities. It is therefore ~~for~~ evident that no land in Kudagi Village is under cultivation by the applicants (Kurbaras).

15) Thus ^{since} there was some confusion about the ~~the~~ ^{the} piece of land that was required to be leased for cultivation ^{to the} with members of hill and forest tribes of Heggadadevanakote Taluk as ordered by the Government on 26-3-57, the Chief Conservator of Forests and Deputy Commissioner, Mysore District were requested on 27-11-57 to arrange for joint inspection of the area in question and to submit a detailed report about the area and the S.No. of the land which are required by the Hill Tribes ^{and} which can be proposed to be ~~released~~ for cultivation, along with a sketch of an area with S.No.12 of Kudagi and Alaganchi Forests. The joint inspection of the area has since been completed on 16-1-1958. Accordingly ^{the} an extent of land in S.No.12 of Kudagi Village is 301 acres and 26 guntas. Out of this area, an extent of 147 acres and 26 guntas is included in Alaganchi State Forest. The balance of 154 acres of land now remaining ^{is at} ~~at~~ the disposal of the Revenue Department. The joint inspection report discloses that no land under S.No.12 included in the State Forest is under cultivation.

16) The area where the lands ^{are} asked for is reported to be frequently invaded by wild animals and it is very difficult to protect cattle and crop against the ravage of these wild animals. The joint report does not recommend ^{the} to grant of any area from Kudagi but suggests ^{that} the land from the remaining area of 154 acres in S.No.12 of Kudagi Village which is in charge of Revenue Department may be given

Present Mr. P. C. C.

19/11/58

Regarding delivery of possession of 140 acres of land in Survey No. 12, of Kudagi Village, Kandali Hobli, Heggadadevankote Taluk, which has been ordered to be released from the forest area as per G.O. No. ARD 12 DAR 57 dated the 26th March 1957.

Put up for daily 2000 19/11/58
Secy (A)

In accordance with the spirit of the constitution of India and the directive principles of state Policy enjoining the state the duty and responsibility of rehabilitating the members of the schedule castes and tribes, Government were pleased to order in their G.O. No. ARD 12 DAR 57 dated the 26th March 1957 that an extent of 140 acres of land in Survey No. 12 of Kudagi Village, Kandali Hobli, Heggadadevankote Taluk which was originally granted to 35 members of the Schedule tribes and Saguvali ~~xxxx~~ Patra was also granted to them at the rate of 4 acres per head for the 35 members, on 25-11-1955. At the time of granting the Saguvali patra to us we were promised by the authorities that Colony arrangements will be made immediately to us for our settlement in the said place with our families. But though it is more than 3 years neither the possession of the land was given to us as per the orders nor the colony arrangements were made so far. Only the Chief Conservative officer came along with forest Mozundar to the said place and measured the land and put the boundry stone for colony purpose and went away but no ~~xxxx~~ further improvement to complete the work and for our settlement has been made. As we have not been provided with the above facilities hitherto ourselves and our families consisting of about 300 members are all put to great hardships and starvation and our condition is going ~~xx~~ back -bad to worst which we are unable to express.

Hence immediate steps may kindly be taken to help us and redress us from the difficulties.

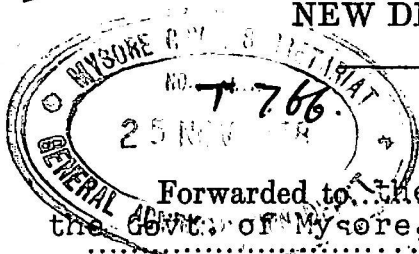

For which act of kindness we ~~xxx~~ will remain grateful.

We beg to remain,
Your humble servants,

LANDS &

Subject:- PROPER AGRICULTURAL FACILITIES
FOR KADU KURUBAS (FOREST SHEPHERDS)
OF RANGIYANA KOPPALU & HALLADA
KOPPALU BELKERE HOBLI HUNSUR TALUK

Respected Sir, Submitted

There are about 33 families of
Kadu Kurubas (forest shepherds) in the above
Villages of HUNSUR Taluk, Mysore Dist, having wildy
grown forest tubers and roots as their main food.

The following measures were taken
to better their conditions which are neither adequate
nor proper. This is proved by the fact that their
conditions have not changed even a bit.

(1) The above 33 families were given
at the rate of two acres of land for each family.
which cannot be irrigated now which may become
irrigated in course of time when Kerehanna Kere Tank is
fully restored.

(2) Each family was given Rs 20/-
To
P.T.O.

purchase a goat

27

(3) Some 4 families were given amount to purchase bullocks

(4) Some half a dozen were given certain amount to debar the land for cultivation

The part out of the 66 acres of land granted to 33 families at the rate of 2 acres per family only, about 8 acres are under cultivation and the rest are not even debarred and they are still eating tubers and roots for living concludes the help given is neither adequate nor proper

I am confident if the following measures are taken their condition will undergo radical change and beg for the same.

IN THE UDDUR ASPATRE KAVU^A FARMING

CO-OPERATIVE SOCIETY UNLIMITED HUNSUR

hundreds of acres of land which are under irrigation will be declared surplus, as the holding of wet land for each member will be limited to two acres only. These surplus lands will be distributed to other members of the above society at the rate of 2 acres only for those who are not in possession of irrigated lands as per their seniority. I request the first priority must be given to the Kadu Kurubas (FOREST SHEPHERD) and only after distributing 33 families at the rate of 2 acres

P.T.O

our heart moves and sympathy goes to them. In the case of the Kachin Kurumbas here & this place the similes one is here. The Kachin Kurumbas are the original inhabitants of this place who are living by eating wildy grown tubers and roots from the time immemorial. Much lands have been granted to address Aspatre Kaval co-operative farming society and an ^{tubers roots} ~~servicemen~~ colony. Thus the availability of their food ^{tubers roots} have been demanded to negligible percentage when the best irrigated lands have been granted to outlanders who have come to here from hundreds of miles away, the original inhabitants have been granted worst ones which cannot be irrigated now. What do you call this? Is not this case similar to that of the African natives?

(4) From the last 8 years nearly two thousand acres of land have been reclaimed under irrigation and the area of dry land reclaimed is more than double of the irrigated. As a result of the desertification of the above lands the availability of the tubers and roots, their main food is on the complete close. They are in semi-starving and disease stricken condition. Within a century if negligence continued their total extinction is sure. I have read in history how the Bushman of Australia and the Red Indians of America have reached the final stage of extinction due to the negligence and ill treatment of the whites. In the case of the Kachin Kurumbas if the same thing has to happen I don't know what to call our civilization which we are boasting and

Others must be granted. As the Kachuk Kurumbas are not even members of the above society as the society has stopped the enrolment of members, the govt which is controlling or influencing the society as a special case enroll these Kachuk Kurumbas as members and the funds available for the betterment of the Kachuk Kurumba schedule caste may be utilised for the share amount and these people may be given in preference to others the surplus irrigated wet lands.

Any arguments or criticisms that may arise against the granting of lands to Kachuk Kurumbas stands exposed when reality of facts which I narrate here under are taken to consideration.

- (1) these Kachuk Kurumbas are depressed class and forest people. In the constitution of the Indian Republic itself special privileges and preferences have been declared hence they must be given preference in this case also.
- (2) As regards to Education and govt. appointments you are treating the depressed class as a special case and giving preferences and privileges. Why can't you give the same in this case also and grant the lands which I have requested for them.
- (3) we are reading in papers how the Europeans who have colonised in Africa are driving the natives to the interior jungles and depriving them of their best lands and granting work and to them making use of the weakness of the African natives on hearing it

-5-

glorifying and for which we are proud of.
I further request for a pair of ³⁰bullocks may
be made available to each of the family of the
Kadai Kurubas if possible. I most truly
beg for early action.

yours faithfully
H.S. Venkata Krishna

animals and forest fires.

We therefore submitted several petitions to your Honour as well as to the Chief Minister praying that eviction proceedings be annulled and the land in question be ordered to be released from the State Forest area. We even sent telegrams as the matter was very urgent. There are no valuable trees on the land except a few bushes or firewood trees.

It was only on 2-10-1956 that we were heard at Periyapatna where your Honour's learned predecessor was camping. We had to walk a distance of 60 miles in order to reach Periyapatna and we thought that our prayer would at least be granted.

Unfortunately final orders have not yet been passed and we are in a dilemma.

We once again humbly pray that the land granted to us as per title deeds in Survey No. 12 of Kudagi Village be ordered to be released from the State Forest area and we may be permitted to continue our agricultural operations and thus settle down to a peaceful civilised life.

For which act of kindness, we shall as in duty bound be ever thankful and grateful.

Re: Release of portion of Survey No. 12 of Kudagi Village, Kandaliike Hobli, Heggadadevankote Taluk from State Forest Area.

We the undersigned members of the Hill and Forest tribes of Heggadadevankote Taluk most humbly beg to bring the following few lines for your kind consideration and favourable orders.

In accordance with the spirit of the constitution of our Republic and the directive principles of State Policy which enjoin on the Government the duty and responsibility of rehabilitating the members of the schedule castes and tribes, we had been granted four acres of land each in Survey No. 12 of Kudagi Village, Kandaliike Hobli, Heggadadevankote Taluk as per title deeds duly issued to us.

Thereupon we settled down on the land and started cultivating our respective bits with the hope that we might lead a peaceful civilised life free from the ravages of wild beasts and forest fires to which we and our family and children had been exposed while roaming about in hill and forest areas in search of food.

But as ill luck would have it, the Amildar of Heggadadevankote Taluk revoked the said grant alleging that the land in question forms part of the state forest area and buffer zone.

As a consequence of the revocation, we have been asked to quit the land and remove our huts and we are now faced with the prospect of being driven back to the hill and forest area to fall a prey once again to the ravages of wild

S i r ,

Re: Delivery of possession of 140 acres of land in Survey No. 12 of Kudagi village, Kandalike Hobli, Heggadadevanakote Taluk, which has been released from the Forest Area for being granted to the members of the schedule Tribes as per G.O.A.R.D. 12 57 dated 26th March, 1957.

We the members of the schedule tribes beg to state as follows:-

Government were graciously pleased to order in G.O. A.R.D. 12 D.A.R. 57 dated the 26th March, 1957, that the above said extent of land (which had been originally granted to us by the Revenue authorities of Heggadadevana Kote taluk) be disafforested and delivered to the Revenue Department so that they may in turn deliver the same to us for permanent cultivation.

It is more than 8 years and half since the Government order was passed and yet we have not been put in possession of the same.

Pursuant to the G.O., the Chief Conservator of Forests inspected the spot and got the said extent measured and demarcated for purposes of delivery to the Revenue Department with a view to the said land being given to us.

It would appear that the District Revenue and the Forest authorities are in the way of the Government Order being implemented for reasons which we are unable to understand.

We humbly submit that it is incumbent upon them to give effect to the Government order instead of doing or suggesting anything which would have the effect of thwarting it. They ought to know that the constitution and the

To

The Secretary to Government,
Agriculture & Forest Department,
Bangalore.

Sir,

Sub:- Grant of land in S.No. 12 of Kudgi village,
Heggadadevanakote Taluk.

Ref:- Your memo No. AFD-322/59 Dt. 19-1-1959.

I invite your kind reference to this office letter of even number dated 20-10-1958 and 15-1-59 wherein, I have furnished my report on similar applications received with your memo No. AFD-12-DST-57 dated 23-9-1958 and D.O. letter No. 5/59 dated 9-1-1959. Since Government have already directed the Deputy Commissioner, Mysore District in their No. AFD-12-DST-57 dated 5-8-1958 to rehabilitate the Kadukurubars in some other area, the question of releasing the forest area in question does not arise.

The application is retransmitted.

Yours faithfully,

6/ 14/7/59
DVP/10/2

(K. KADAMBI),

Chief Conservator of Forests.

No. 22. PR 321/58-59.
Encls.

Office of the Deputy Commissioner,
 Mysore District,

Mysore, dated the 16th February 1959.

To

The Secretary to the
 Government of Mysore,
 Revenue Department,
Bangalore.

Sir,

Subject:- Delivering of possession of 140 acres
 of land in S.No. 12 of Kudagi village,
 Heggadadevankote taluk.

Reference:-

- 1) Your letter No.R.D. 39 LGM 58 dated 28th
 November 1958.
- 2) Your letter No.RD 91 LGM 58 dated 28th
 November 1958.
- 3) Your letter No.RD 95 LGM 58 dated 3rd
 December 1958.

I write to state that on 29-1-1957 Sri. Laxmanaika and thirty four other members of the Hill and Forest Tribes of Heggadadevankote taluk presented a petition to Government praying for the release of 140 acres of land in S.No. 12 of Kudagi village for the formation of a colony. In the petition they stated that the said extent had already been under their cultivation.

Thereupon Government in their Order No.AFD 12 DAR 57 dated 26-3-1957 directed that an extent of about 140 acres which had already been brought under cultivation in S.No.12 of Kudagi village should be disafforested and surrendered to the Revenue Department for further action to grant it to the thirty five persons permanently.

The question of handing over possession of the land to the Revenue Department entered into prolonged

prolonged correspondence between the Forest Department and Government. Subsequently as desired by Government in Endorsement No.AFD 12 DST 57 dated 27-11-1958, the spot was inspected by me jointly with the District Forest Officer, Mysore on the 16th January 1958.

It was noticed during the spot inspection that there were no traces of the lands ever having been brought under cultivation and that there was thus no need for the land being released from the State Forest on the ground that the land was already under cultivation. Accordingly a report was sent to Government in this office letter No.C2. PR 140 C 1022/57-58 dated 25th January 1958. In the said report it was added that if Government considered that the persons should be granted some lands in view of their poverty but not necessarily the lands in question, lands would be granted to them from out of the adjoining District Forest or from the Government land under the control of Revenue Department elsewhere.

The proposals for the release of 140 acres of land in the Survey Number were dropped as per D.O. letter No. AFD 12 DST 59 dated 6-4-1958 of the Secretary to Government, Agriculture and Forest Department and this was subsequently confirmed in Government Order No.AFD 12 DST 57 dated 8th July 1958 cancelling the release of the land in question. In the said D.O. letter of the Secretary to Government, Agriculture and Forest Department it was added that necessary steps may be taken to rehabilitate the persons by giving them suitable lands elsewhere for cultivation.

Accordingly it was proposed to rehabilitate these persons in Nemmanahalli village of Haggadadevankote taluk where a Hill Tribe Colony is already existing which is hardly four miles from Kudagi village. In this connection

connection I inspected the spot on 13th February 1959 along with the Tahsildar, Heggadadevankote taluk, the Block Development Officer, N.E.S. Block, Heggadadevankote and the Village Officers. It was noticed at the time of spot inspection that what is known as the Hemmanahally Colony is actually situated in the limits of the Revenue village of Matakere and that there is scope for expanding this Colony and for taking in some more persons into this Colony.

Further it was noticed that six ~~families~~ families among the present petitioners from Kudagi have shifted themselves to the Matakere Colony and it was represented that another ten families are even now living in Kudagi and that they are also willing to come over to Matakere. The Tahsildar, Heggadadevankote taluk has been requested to obtain the consent of all the persons who have come from Kudagi to the Matakere Colony and to take further action to have them colonised in this area as Government land is available for disposal in the place.

In this connection I wish to add that on a similar petition presented to Government praying for the delivery of the possession of 140 acres of land in question, an endorsement has been issued to the present petitioners in No. AFD 12 DST 57 dated 28th January 1959 of the Secretary to Government, Agriculture and Forest Department stating that the area cannot be released for colonisation.

The letter dated 6th November 1958 of Sri. Veerendra Patil, Organising Secretary, M.P.C.C., the letter dated 19-11-1958 of Sri. Ramakrishna Hegde, General Secretary, M.P.C.C., the petition dated 26-11-1958 addressed to the Minister for Revenue and the letter dated 3-12-1958 of Sri. S. Nijalingappa, ex-Chief Minister of Mysore together with the

No. C2. PR. 140. C. 1022/57-58. Office of the Deputy Commissioner,
Mysore District,
Mysore, Dated 20th March, 1958.

To
The Director of Social Welfare,
in Mysore Bangalore.

Sir,

Subject: Release of land out of S.No.12 of Kudgi village,
H.D.Kote, Taluk.

Ref: Your Telegram dated 18-3-58.

I write to state that a final reply in the matter has been sent to the Secretary Agricultural and Forest Department in this office even No. dated 25th January, 1958.

A copy of the reply is enclosed herein for your reference.

Yours faithfully,

H.A. Hanumanthiah
(H.A. Hanumanthiah)
For Deputy Commissioner,
Mysore District.

MSG.

Enclosure-1. Letter No.RDF.88 L.A.Q.57 dated 25-5-57 from the Secretary to the Government of Mysore, Revenue Department, addressed to the Deputy Commissioner, Mysore District, Mysore.

Subject: Regarding the grant of land for cultivation to Hill and Forest tribes of kudagi village, Heggadevanakote Taluk, Mysore District.

I am to enclose petition, dated 28th March, 1957, from Shri. Seera of Kudagi village, Heggadevanakote Taluk, Mysore District, on the above subject and to request you to submit your remarks immediately.

Your report may please be submitted through the Divisional Commissioner, Mysore.

The petition may be returned with the report.

57

Enclosure.2.

Letter No. C2. PR. 140. C. 1972/57-58 dated 25th January, 58 from the Deputy Commissioner, Mysore District, Mysore addressed to the Secretary to the Government of Mysore, Agriculture and Forest Department, Bangalore.

Subject: Release of lands out of S.No.12 of (Kudgi) village, H.D.Kote Taluk.

Ref: G.O.No.AFD.12.DAR.57 dated 26th March, 1957.

2. Letter No.RDF.88. LAQ.57 dated 25-5-57 of the Secretary to Government Revenue Department, Bangalore.

3. Your endorsement No.AFD. 12.DST.57 dated 27-11-57.

I write to state that the land in question was inspected by me jointly with the District Forest Officer, Mysore on the 16th of January, 1958. I enclose herein a copy of the note of the joint inspection.

It was noticed during the inspection that there were no traces of the lands ever having been brought under cultivation. There is thus no need for the land being released from the State Forest on the ground that the land is already under cultivation. If Government still feel that the land should be granted to ~~xxxx~~ them after being released from the state Forest for any other reason or any other ground, Government may do so. If in the alternative it is considered that the persons should be granted some land in view of their poverty but not necessarily the lands in question, the lands will be granted to them from out of the adjoining District Forest or from out of Government land under the control of the Revenue Department elsewhere after the general "stay order issued by Government in their order No.R.S.PR. 76-77/57-58 dated 22-7-57 is vacated.

To
The Honourable Minister for Revenue

Government of Mysore,

Bangalore.

L.R. 36-56-1

Sir,

(12) 12-12

Re. Release of portion of Survey No. 12. of Kudagi village
Kandalike Hobli, Heggadadevanakote Taluk from State Forest
area.

.....

We the undersigned members of the Hill and Forest tribes of
Heggadadevanakote Taluk - most humbly beg to bring the following
few lines for your kind consideration and favourable orders.

In accordance with the spirit of the constitution of our
Republic and the directive principles of State Policy which
enjoin on the Government the duty and responsibility of -
rehabilitating the members of the Schedule castes and tribes ,
we ^{had} ~~have~~ been granted four acres of land each in Survey No. 12
of Kudagi village, Kandalike Hobli, Heggadadevanakote Taluk, as per
title deeds duly issued to us.

Thereupon we settled down on the land and started cultivat-
ing our respective bits with the hope that we might lead a peace-
ful civilised life free from the ravages of wild beasts and
forest fires to which we and our family and children had been
exposed while roaming about in hill and forest areas in search
of food.

But as ill luck would have it, the Amildar of Heggada-
devanakote Taluk revoked the said grant alleging that the land
in question forms part of the State Forest area and buffer zone.

As a consequence of the revocation, we have been asked to
quit the land and remove our huts and we are now faced with the
prospect of being driven back to the Hill and forest area to fall

a prey to the ravages of wild animals and forest fires.

We therefore submitted several petitions to your Honour as well as to the Chief Minister praying that eviction proceedings be annulled and the land in question be ordered to be released from the state forest area. We even sent telegrams as the matter was very urgent. There are no valuable trees on the land except a few bushes.

It was only on 2.10.1956 that we were heard at Periyapatna where the then Revenue Minister was camping. We had to walk a distance of 60 miles in order to reach Periyapatna and we thought that our prayer would at least be granted.

Unfortunately final orders have not yet been passed and we are in a dilemma.

We once again humbly pray that the land granted to us as per title deeds in Survey No.12 of Kudagi village be ordered to be released from the State forest area and we may be permitted to continue our agricultural operations and thus settle down to a peaceful civilised life. *We have herewith produced a copy of the order granting the land and a copy of the subsequent order revoking the grant.*

For which act of kindness, we shall as in duty bound be ever thankful and grateful.

We beg to remain,
Sir,
Yours most obediently,

Dated. 5.1.57

*we have affixed
our left thumb impressions

S.S.

The Hon'ble Minister for Revenue
Government of Mysore

Bangalore.

Sir,

Re. Release of portion of Survey No. 12 of Kudagi Village
Kandalike Hobli, Hoggadadevanakote Taluk from State
Forest area.

We the undersigned members of the Hill and Forest tribe
of Hoggadadevanakote Taluk - most humbly beg to bring the
following few lines for your kind consideration and favour
in orders.

In accordance with the spirit of the constitution of
our Republic and the directive principles of State Policy
which enjoin on the Government the duty and responsibility
rehabilitating the members of the Schedule castes and tribes
we had been granted four acres of land each in Survey No. 12
of Kudagi Village, Kandalike Hobli, Hoggadadevanakote Taluk,
as per title deeds duly issued to us.

Thereupon we settled down on the land and started
cultivating our respective bits with the hope that we might
lead a peaceful civilised life free from the ravages of wild
beasts and forest fires to which we and our family and
children had been exposed while roaming about in hill and
forest areas in search of food.

But as ill luck would have it, the Amildar of Hoggadevanakote Taluk revoked the said grant alleging that the
land in question forms part of the State Forest area and
buffer zone.

As a consequence of the revocation, we have been
asked to quit the land and remove our huts and we are now
faced with the prospect of being driven back to the
hill and forest area to fall a prey to the ravages of
wild beasts and forest fires.

We therefore submitted several petitions
as well as to the Chief Minister

eviction proceedings be annulled and the land in question be ordered to be released from the state forest area. We even sent telegrams as the matter was very urgent. There are no valuable trees on the land except a few bushes.

It was only on 2.10.1956 that we were heard at Periyapatna where the then Revenue Minister was camping. We had to walk a distance of 60 miles in order to reach Periyapatna and we thought that our prayer would at last be granted.

Unfortunately final orders have not yet been passed and we are in a dilemma.

We once again humbly pray that the land granted to us as per title deeds in survey No. 12 of Kudagin village be ordered to be released from the State Forest area and we may be permitted to continue our agricultural operations and thus settle down to a peaceful civilised life. We have herewith produced a copy of the order granting the land and a copy of the subsequent order revoking the grant.

For which act of kindness, we shall as in duty bound be ever thankful and grateful.

We beg to remain, Sir
Yours most obediently

Sir,

Re. Release of portion of Survey No. 12 of Kudagi Village
Kandalike Hobli, Heggadadevanakote Taluk from State
Forest area.

We the undersigned members of the Hill and Forest tribes
of Heggadadevanakote Taluk - most humbly beg to bring the
following few lines for your kind consideration and favourable
orders.

In accordance with the spirit of the constitution of
our Republic and the directive principles of State Policy
which enjoin on the Government the duty and responsibility of
rehabilitating the members of the Schedule castes and tribes,
we had been granted four acres of land each Survey No. 12
of Kudagi village, Kandalike Hobli, Heggadadevanakote Taluk
as per title deeds duly issued to us.

Thereupon we settled down on the land and started
cultivating our respective bits with the hope that we might
lead a peaceful civilised life free from the ravages of wild
beasts and forest fires to which we and our family and
children had been exposed while roaming about in hill and
forest areas in search of food.

But as ill luck would have it, the Amildar
devanakote Taluk revoked the said grant alleging
land in question forms part of the State
buffer zone.

As a consequence of the revocation
asked to quit the land and remove our
faced with the prospect of being driven
and forest area to fall a prey to the
and forest fires.

We therefore submitted several petitions

as to the Chief Minister.

Hon'ble Minister for
The ~~Chief Conservator of~~ Forests,
Bangalore.

P. 864
Sir,

Re: Delivery of possession of 140 acres of land in Survey No.12 of Kudagi village, Kandalike Hobli, Heggadadevankote taluk, which has been released from the State Forest area as per G.O.No.A.R.D.12 D.A.R.57 dated 26th March 1957.

we the members of the schedule tribes beg to state
follows: -

Government were graciously pleased to order in Government order No.A.R.D.12 D.A.R.57 dated the 26th March 1957 that the above said extent of land (which had been originally to us by the Taluk authorities of Heggadadevankote as per Revenue sketch but which was subsequently revoked by them) be disafforested and delivered to the Revenue authorities so that they may in turn put us in possession of the said land. It is nearly a year since the government order restoring the grant was passed but possession has not yet been delivered to us till now.

The agricultural season is about to commence and unless the land is cleared of extraneous growth and the soil prepared for cultivation in advance before the monsoon sets in, it will be impossible for us to start agricultural operations thereafter and nearly 300 members belonging to our families will have to starve for want of food. A copy of the revenue sketch showing the particular plot which had been originally granted to us and now restored by Government has been submitted by us on 26-11-1957 to facilitate delivery of possession.

When we represented our difficulties in person at Bangalore, we were assured that possession would be delivered

Bangalore, we were assured that

FINDINGS OF THE JOINT INSPECTION BY THE DEPUTY COMMISSIONER
AND THE DISTRICT FOREST OFFICER, MYSORE.

Release of lands out of S.No.12 of Kudagi village,
Kandalike Hobli, Heggadadevanakote Taluk.

Letter No. AFD 12 DST 57 dated 27-11-1957 from the
Secretary to Govt. Agriculture and Forest Department,
Bangalore.

S.No.12 of Kudagi village was inspected by the Deputy
Commissioner and the District Forest Officer on 16-1-1958.
The extent of land in S.No.12 of Kudagi village is 301 acres and
26 guntas as per the 'Index of lands'. Out of this area,
an extent of 147 acres and 26 guntas is included in Alaganchi
State Forest as per G.O.No.G.5079-82-Ft.313-26-4 dated 31-10-1928.
Thus, leaving a balance of 154 acres of land at the disposal of
the Revenue Department.

No land from the said S.No.12 included in the State Forest
is under cultivation. At the time of inspection, no Kadukurbar
family (Hill tribe) was found residing in the village except a
few families of Lembanis and Adikarnatakes. It was learnt that
the Kadukurubars who were once residing in the village temporarily
had left the locality some time back.

On local enquiry, it is learnt that the village is frequently
invaded by wild animals, particularly elephants, so much so, it
is difficult to protect cattle and crop against the ravage of
these wild animals.

Kudagi village, abuts Alaganchi State Forest which forms a
part of Venugopala Wild Life Park, formed as per G.O.No.A.F.6126
Ft. 128-40-4 dated 19-2-1941. The village is situated at a
vantage point through which wild animals, particularly the
elephants move about throughout the year to drink water in the
Nugu River, which abuts the said village to its east. Thus,
any protection against the havoc of these Wild animals appears
to be almost impossible. Still, any effort on the part of these
tribal people to settle at Kudagi may be meted out by way of
distributing lands out of the remaining area of 154 acres in
S.No.12 of Kudagi village, leaving the required buffer margin
from the State Forest as an experimental measure and as the
risk of the cultivators.

Alternatively, these people may also be colonised at
Nermanahally where there is already a Hill tribe colony in
existence and which is hardly four miles from Kudagi village.
Nermanahalli being easily accessible to the Inspecting Officers
for frequent visits, the welfare of these people can well be
looked after unlike Kudagi village. This also solves the
other major problems like crop and cattle protection.

MYSORE FOREST DEPARTMENT

Dr. K. KADAMBI, M.Sc., D.Sc. (Munich),
Chief Conservator of Forests.

NEW PUBLIC OFFICES,

Bangalore-1, dated. 28.1.1958.

D.O. No. B₃-27-1398/56
En. one.

Dear Shri Channabasavappa,

The Hon'ble Minister for Agriculture mentioned to me this morning about the complaints from Kadukurabars of Kudgi, Heggadadevanakote Taluk, regarding lease of 140 acres of land in S.No.12 of Kudgi village. S.No.12 contains 301 acres of land of which 147 acres form part of Alaganchi State Forest and the remaining 154 acres is revenue land. There are no Kadukurabar families residing in the village. The District Forest Officer and the Dy.Commissioner have made a joint inspection of the area and they have opined that the Kadukurabars, if they so like, may occupy 154 acres of land available outside Alaganchi State Forest. In accordance with this joint opinion, the area lying outside the State Forest can be given away to them subject to ^{levying} ~~levying~~ the usual buffer strip of 110 yards from the demarcation lines. ^{Saguvalli} ~~Saguli~~ chits ~~have been~~ issued wrongly by the Revenue Department to the State Forest area have been subsequently withdrawn by them. The Deputy Commissioner and the District Forest Officer jointly opined that it would be better to colonise the Kadukurabars at Nemmanahalli, a place at about 4 miles from Kudgi where a colony already exists.

I agree with them. A separate report is being submitted in this connection to Government. A copy of the Joint Inspection Note by the Dy.Commissioner & the D.F.O. is enclosed for favour of perusal of the Minister.

Yours Sincerely,

(K.Kadambi)

Sri B.Channabasavappa,

To

The Hon'ble Minister for Forests,
Government of Mysore,
B A N G A L O R E

Sir,

Regarding delivery of possession of 140 acres of land in Survey No.12 of Kudagi village, Kandalike Hobli, Heggadadevankote Taluk, which has been released from the forest area as per G.O.No.ARD.12 D.A.R. 57 dated 26th March 1957.

Government were graciously pleased to order in A.R.D.

12/2/57 dated the 26th March 1957 that an extent of 140 acres of land in Survey No.12 of Kudagi Village, Heggadadevankote Taluk be disafforested and surrendered to the Revenue Department for being delivered to us for purposes of permanent cultivation.

On 26-11-1957 we ~~for~~ produced a certified copy of the sketch showing the 140 acres of land in Survey No.12 of Kudagi village which had been originally granted to us by the Taluk authorities before the grant was revoked by them on the ground that it forms part of forest area.

We submit that it is the said plot of land that has been restored to us by Government by releasing it from the forest area, having regard to the fact that we belong to the Schedule tribes.

Although it is nearly ten months since the Government order was passed, the said plot has not yet been delivered by the District Forest authorities to the Revenue department with the unfortunate result that we have not been put in possession of it. We beg to state that the cultivation season is about to commence and we and the members of families who are 300 in numbers ~~will~~ will have to die of starvation if we do not obtain possession of the land and commence the agricultural operations at once.

We therefore humbly pray that Government be pleased

As per directions of the Dy Supy (A.S.P.D.)
I saw the W/s. A.S.D. who
directed me to see his Supdt.

His Supdt told me that
this Dept. File bearing A.S.
A.S.D. 12 D.S.T. 57 was not yet
traced by him, and he
would again search the
file. If traced he would send
the file.

Camp:- T.Narasipur, the 25th January 1958.

To

The Secretary to the Government of Mysore,
Agriculture and Forest Department,
B a n g a l o r e.

Sir,

Subject:- Release of lands out of S.No. 12 of KUNGI village,
Heggadadevanakote Taluk.

Reference:- G.O.No. AFD. 12. Dar. 57 dated 26th March 1957.

2. Letter No. RDF.83.LAQ 57 dated 25-5-57 of the Secretary to Government, Revenue Department, Bangalore.

3. Your endorsement No. AFD. 12. DST.57 dated 27-11-1957.

I write to state that the land in question was inspected by me jointly with the District Forest Officer, Mysore on the 16th of January 1958. I enclose herein a copy of the note of the joint inspection.

It was noticed during the inspection that that there were no traces of the lands ever having been brought under cultivation. There is thus no need for the land being released from the State Forest on the ground that the land is already under cultivation. If Government still feel that the land should be granted to them after being released from the State Forest for any other reason or any other grounds, Government may do so. If in the alternative, it is considered that the persons should be granted some lands in view of their poverty but not necessarily the lands in question, the lands will be granted to them from out of the adjoining District Forest or from out of Government land under the control of the Revenue Department elsewhere after the general "Stay Order" issued by Government in their order No. R.S.P.A 26-27/57-58
26.1.57
dated is vacated.

Sub:-Delivery of possession of 140 acres of
land situated in Alaganchi State Forest
to Kadukurubars, Mysore District.

--

Sir,

I enclose herewith another representation of
Kadukurubars, in original, received to-day. I invite
your kind reference, in this connection, to my letter
No. B₃-27-1398/56 dated 28-1-1958 The Deputy
Commissioner and the District Forest Officer, Mysore,
who jointly inspected the land have opined that there
is no case for granting possession of this land and
that the Kurubars could be settled in a colony which
is about 4 miles from this locality.

I request the favour of early orders, in this
connection, as the parties are repeatedly pressing
that this area within the State Forest should be
released to them.

Yours faithfully,

Forsh
SK
6/3/58

(K. KADAMBI)
CHIEF CONSERVATOR OF FORESTS.

17/122

To

The Chief Conservator of Forests,
Bangalore.

Sir,

Re: Delivery of possession of 140 acres of land
in Survey No.12 of Kudagi village, Kandalike
Hobli, Heggadadevankote taluk, which has been
released from the State Forest area as per
G.O.No.A.R.D.12 D.A.R.57 dated 26th March 1957.

We the members of the schedule tribes beg to state
as follows:-

Government were graciously pleased to order in Govern-
ment order No.A.R.D.12 D.A.R.57 dated the 26th March 1957
that the above said extent of land (which had been originally
to us by the Taluk authorities of Heggadadevankote as per
Revenue sketch but which was subsequently revoked by them)
be disforested and delivered to the Revenue authorities,
so that they may in turn put us in possession of the said
land. It is nearly a year since the government order
restoring the grant was passed but possession has not yet
been delivered to us till now.

The agricultural season is about to commence and
unless the land is cleared of extraneous growth and the
soil prepared for cultivation in advance before the monsoon
sets in, it will be impossible for us to start agricultural
operations thereafter and nearly 300 members belonging to
our families will have to starve for want of food. A copy
of the revenue sketch showing the particular plot which had
been originally granted to us and now restored by Government
has been submitted by us on 26-11-1957 to facilitate
delivery of possession.

When we represented our difficulties in person at
Bangalore, we were assured that possession would be delivered

123
/

to us at once.

We submit we will be exposed to starvation if delivery of possession is delayed any longer.

We therefore humbly pray that immediate arrangements may kindly be made to ~~delivery~~ deliver possession of the said land to us.

For which act of kindness we shall be ever grateful and thankful.

We beg to remain,
Sir,
Yours obediently,

Date: 4-3-1958.

 Government of Mysore
Bangalore

we, the members of the Hill and Forest tribes of Kudagi Village, Heggadadevankote Taluk most humbly beg to bring the following few lines for your kind consideration and favourable disposal.

on 31-1-1957 Government were pleased to order that 140 acres of land originally granted to us by the Taluk Revenue Authorities in Survey number 12 of Kudagi Village be released from the forest area and restored to us for purposes of permanent cultivation. The Forest and revenue authorities of Mysore District were directed to see that we are put in possession of the said extent of land at once.

The Taluk Revenue authorities thereupon requested the forest sub-division officer, Heggadadevankote to hand over possession of the said 140 acres of land to them in order that they (revenue authorities) may deliver possession of the same to us so that we may start cultivation at once in view of the cultivation season having commenced.

It is now 5 1/2 months since Government passed orders sanctioning the grant, but the Forest Sub-division Officer has not yet given effect to the Government Order.

We represented our grievances to the Dist. Forest Officer, Mysore, but they have not been redress

so far.

we beg to submit that we are put to considerable hardship and suffering on this account.

we therefore humbly pray that the Forest authorities of Mysore District be directed to give effect to the Government order at once and hand over possession of the said area of 140 acres in Survey No. 12 of Kudagi Village to the Amildar Heggadadevankote Taluk so that the Amildar may in turn deliver possession of the same to us.

For which act of kindness we shall be ever grateful and thankful.

We beg to remain,
Sir,
Yours most obediently,

To

The Honourable Minister for Forests,
Government of Mysore,
BANGALORE.

Sir,

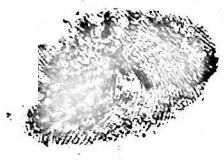

We, the members of the Hill and Forest tribes of Kudagi Village, Heggadadevankote Taluk most humbly beg to bring the following few lines for your kind consideration and favourable disposal.

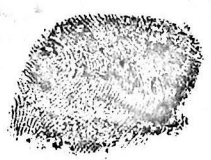

On 31-1-1957 Government were pleased to order that 140 acres of land originally granted to us by the Taluk Revenue Authorities in Survey number 12 of Kudagi Village be released from the forest area and restored to us for purposes of permanent cultivation. The Forest and Revenue authorities of Mysore District were directed to see that we are put in possession of the said extent of land at once.

The Taluk Revenue authorities thereupon requested the forest Sub-division Officer, Heggadadevankote to hand over possession of the said 140 acres of land to them in order that they (Revenue authorities) may deliver possession of the same to us so that we may start cultivation at once in view of the cultivation season having commenced.

It is now 5½ months since Government passed orders sanctioning the grant, but the Forest Sub-division Officer has not yet given effect to the Government Order.

We represented our grievances to the Dist. Forest Officer, Mysore, but they have not been redressed
